March 1st, 2017

Dear Valued Supplier,

We have a new look! DelStar is rebranding as SWM. In 2013, SWM acquired DelStar, and we have recently initiated a rebranding effort to reflect our integration within the SWM enterprise.

While this 'new face' does not impact our work directly, we suspect you may have questions. We have attempted to answer some of the questions you might have below. If you have any further questions about this change, please do not hesitate to contact us.

Will there be any changes to my point of contact?

No, please continue to work with your current points of contact. Any changes to your primary points of contact will be communicated to you when and if those changes occur.

Will there be any changes to my open purchase orders?

There will be no immediate changes to our purchasing process. Please continue to fulfill any open purchase order. There is no need to update them with our new brand name.

Will there be any change on where to send my invoices or how I receive my payments?

No, there will not be any immediate change to where to send your invoice or how your invoices are paid. We will communicate any changes to our Accounts Payable process when and if they occur.

Will the company's legal name or tax ID numbers change?

No, there is no change in either our legal name or tax ID number.

Please do not hesitate to contact your purchasing representative if you have any further questions.

Sincerely,

Eric Sweeney

Director of Supply Chain
